### **Santa Ana Mayor Pro Tem Jessie Lopez and Councilmember Thai Viet Phan to hold Press Conference to discuss sham recall attempt in Santa Ana**

**Santa Ana, CA** On Monday, January 30<sup>th</sup>, Mayor Pro Tem Jessie Lopez and Councilmember Thai Viet Phan will be holding a joint Press Conference and Media Availability to discuss the Notice of Intent that was filed by Gerry Serrano and corporate lobbyists attempting to subvert the will of the voters and overturn the 2020 election with a sham recall attempt.

**When:** Monday, January 30, 2023, at 11 a.m.

**Where:** 20 Civic Center Plaza, Santa Ana, CA 92701 in front of City Hall (or, if raining, in front of Council Chambers)

**Who should attend:** Members of the press and local media, anti-recall neighborhood leaders

Although a majority of the Council voted to protect tenants and implement a contract that was fair for Gerry Serrano and his association, Mayor Pro Tem Jessie Lopez and Councilmember Thai Viet Phan are the only members of the Santa Ana City Council being targeted by the recalls. This shameful recall plot is discriminatory and attempted political retribution by Gerry Serrano and corporate lobbyists over the Councilmembers' voting record on the Council.
